

## Vocabulary List– Eighth Grade

1. combinations
2. continuous data
3. covariant
4. deductive reasoning
5. dependent event
6. direct variation
7. discrete data
8. disjoint events
9. independent event
10. indirect measurement
11. inductive reasoning
12. inverse property
13. inverse variation
14. line of best fit
15. midpoint
16. monomials
17. nonlinear function
18.  $n^{\text{th}}$
19. percentile
20. permutations
21. polynomials
22. quadratic equation
23. rate of change
24. real number
25. scatter plot
26. slope
27. transversal
28. 2 by 2 system
29. x-intercept
30. y-intercept
