

“I can only hope that the next student you help has an experience as great as the one I had.”

- Devonne Pitts '17

Why Give?

One of the most often voiced sentiments we hear at reunions and gatherings is “Walnut Hills is where my life started.” Each of our alum has taken something away from this institution that has impacted their life and altered their destination, be it a new interest, a passion for the arts, a hunger for knowledge, a quest for a profession. The vast curriculum provides a menu of choices that allows everyone to excel in something.

With the experience of spending six years in this creative melting pot come responsibilities to enhance the options of future generations who are following in your footsteps. What gave you the inspiration to follow your chosen path? Perhaps it was a book you read in English, a piece of music the orchestra played, a class that unleashed an understanding in chemistry, a speaker discussing the complexities of foreign policy...the list is endless and is diverse as the student body.

But, the foundation of many of these opportunities lies with the gift of time, talents and financial resources provided by the alumni who have supported the school for the last twenty years. Monies that came in trickles — and sometimes in floods — for building projects, computer labs, scholarships, travel funds, and writing centers, to name a few.

Each step we have taken as an Alumni Foundation has been because you have opened your wallets and your hearts to a school that opened your mind — and changed your life.

We hope you will continue to help us create the kind of experience that you had while you were here and share it with the future generations of scholars who will change the world, one graduating class at a time.

Matching Gifts

Your donations to the WHHS Alumni Foundation can double or even triple in value if you qualify for a matching gift through your employer. Check with your company’s human resources department to see if it has a matching gift program. Procedures for submitting matching gift requests vary by company. Some companies now offer matching gift applications via the internet, through a toll-free automated phone system, or by filling out a form and mailing it with your contribution.

Honor/Memorial Gifts

Sending your gift to the WHHS Alumni Foundation in honor or memory of someone is a special way to support a great school and honor a friend. Simply enclose a note with your contribution indicating the occasion and the name and address of the person you are honoring. We will send the honoree a card notifying him or her of your gift. The amount of the gift is not disclosed.

Planned Giving

Naming the WHHS Alumni Foundation in your will or estate can mean significant tax benefits for you while supporting the future of quality public education. Certain types of Charitable Remainder Trusts can even provide income for you and your family in addition to providing a meaningful gift to your alma mater.
